15. Multidisciplinary / interdisciplinary					
<p>The college follows the instructions of the Higher Education Department, Haryana, Panchkula and Indira Gandhi University, Meerpur, regarding implementation of multidisciplinary/interdisciplinary education under NEP. The State government has decided to implement NEP with effect from Session 2024-2025 in colleges affiliated with I.G. University, Meerpur. The college at present runs three streams of Arts, Science and Commerce and would further extend its footprint through the introduction of P.G. Courses and U.G. Optional subjects from the session 2023-24. Under NEP from the session 2024-25, the institution will integrate the humanities and science stream by offering programs with combinations across disciplines. The marks system will be replaced by the credit-based system under the NEP policy adopted by the affiliated university. A due weightage will be given to courses and projects in the areas of community engagement and service, environmental education, and value-based towards the attainment of holistic and multidisciplinary education. The college will offer a multidisciplinary flexible curriculum that enables multiple entries and exits at the end of 1st, 2nd and 3rd years of undergraduate education as per the template adopted by Indira Gandhi University, Meerpur from the session 2024-25. Those students who wish to suspend their U.G. Studies after one year</p>					

will be allowed to do so with a certificate course, after two years with a diploma course, after three years with a degree and after four years with an Honours Degree. The students will be given credits for online courses and projects with social relevance and engagements with society. As the NEP is to be rolled out from session 2024-25, at present, the college is preparing for its implementation.

16.Academic bank of credits (ABC):

As per the instructions of Indira Gandhin University, Meerpur, the college will register all its students on ABC from the session 2023-24. The College has started preparations for it, and would register all its students on ABC in July-August 2023 during the annual admissions.

17.Skill development:

The state government is still in the process of implementing NEP, as and when NEP is implemented, the college will offer skill development programmes in the syllabus. At the same time, the college enhances the skills of students through various workshops undertaken by Women Studies and Development Cell and other Cells. Along with it, the college offers skill development through its Earn While You Learn Scheme in which selected students work for a defined period in Labs, Offices and Library. Further, the college also hones the skills of students in Computer Applications through a Course on Compulsory Computer Education which is offered to all the students of T.D.C. I Year.

18.Appropriate integration of Indian Knowledge system (teaching in Indian Language, culture, using online course)

The College uses both English and Hindi as mediums of instructions in all the courses. The teachers are well versed in both languages and effortlessly switch over from one to another as per the needs of the lesson and students. The Indian culture is integrated in the teaching through a literature course which is oriented towards understanding cultural values and their significance. At the same time, various program and functions undertaken in the institution inculcate Indian values in the students. Extension lectures and talks conducted on topics related to Indian culture and its traditions are also used as effective medium to orient students towards Indian culture and values.

19.Focus on Outcome based education (OBE):Focus on Outcome based education (OBE):

The college is not autonomous in creating its own curriculum and follows the curriculum of the affiliating university. The teachers of the college have prepared Programme Outcomes and Course Outcomes which are conveyed to students through the college website and personal interaction. The lectures on Interview Skills, GIS etc are conducted through experts so as to raise the employability of the students. The students are also given practical skills through NSS and Workshops organised under Women Studies and Development Cell.

20.Distance education/online education:

The College does not offer Distance education. The online classes are conducted by teachers as per needs of the students. The relevant videos and study material is sent on whatsapp groups of the students so as to integrate traditional teaching with online tools. The smartclass rooms are used for further integrating online resources with conventional methods of teaching.

1.1.1 - The Institution ensures effective curriculum delivery through a well planned and documented process

1.1.1 The Institution ensures effective curriculum planning and delivery through a well-planned and documented process including Academic calendar and conduct of continuous internal Assessment

Response:

The college uses the following practices for the effective delivery of the curriculum:

1. The college prepares Time Table of the classes at the beginning of the Semester and allocates rooms/time to various classes in order to make curriculum delivery effective and time-bound.

2. The academic calendar for the upcoming semester is prepared in accordance with the schedule of the University and communicated to students and teachers well in advance. According to the academic calendar, the departments prepare their activity plans for the upcoming Semester.

3. Teaching plan/Lesson plans are prepared and conveyed to the students through the notice board/website.

4. Assignments in each subject are submitted by students every semester, which are evaluated and their marks are added to Internal Assessment.

5. Regular class tests are conducted by all teachers which carry a weightage of 10 marks in Internal Assessment.

At the end of the session, Internal Assessments based on Attendance, Assignments and Class tests are finalized and displayed to students for their objections. Students' feedback on them is taken and corrective actions are initiated accordingly.

2.5 - Evaluation Process and Reforms

2.5.1 - Mechanism of internal assessment is transparent and robust in terms of frequency and mode. Write description within 200 words.

Internal Assessment

The college strictly follows the university rules & procedures for internal assessment. Although the schedule of class tests and submission of assignments, for internal assessment, is fixed before one month of completion of each semester, the students are given their topics of these class tests as well as assignments well in advance. Further, the following internal assessment criteria as given by the affiliated university is followed in the college. As per University criterion, an internal assessment of 20 Marks in all UG classes has following components:

1. Assignments= 5 Marks
2. Class test= 10 Marks
3. Attendance=5 Marks

The internal Assessment marks are uploaded on the college website and objections are invited. After removal of these objections, the Internal Assessment marks are finalized.

2.6 - Student Performance and Learning Outcomes

2.6.1 - Teachers and students are aware of the stated Programme and course outcomes of the Programmes offered by the institution.

Response:

The college follows the Programme Outcomes (POs) and Course Outcomes (Cos) for all programmes as delineated in the syllabus of the affiliated university. The soft copy of the syllabus is uploaded on the college website, while the hard copies of the syllabus remain available in all the departments for ready references of teachers and students. The faculty members articulate the learning objectives and the expected outcomes for each course at the beginning of both the odd and even semesters. This helps the students appreciate various topics being covered in the class as they realize their importance and relevance.

The thrust of the programs and the courses are also explained, in detail, at the time of Induction Programme at the start of the session. This induction programme is conducted by the college to make the students well-versed with the various programs and courses offered by the college as also their outcomes. They are also told about various job opportunities available after the successful competition of these programs and courses. Doubts, if any, are explained and cleared and the students are also encouraged to opt for the programs and courses in which they are genuinely interested so that they can really do justice and enjoy

the profession they may go in for.

INSTITUTIONAL VALUES AND BEST PRACTICES

7.1 - Institutional Values and Social Responsibilities

7.1.1 - Measures initiated by the Institution for the promotion of gender equity during the year

Government College for Women, Pali has a strong ethical work culture that is based on inclusivity. It observes highest ethical standards in all its activities. Equal opportunities are provided to all individuals irrespective of gender, race, caste, color, creed, language, religion, political or other opinion, national or social origin, property, birth or other status. Its unique work culture, healthy traditions and ethos have led to enrolment of the employees as per the roaster. Safety, security and well-being, along with gender equity and friendly working atmosphere are the issues of prime concern to GCW Pali. Gender sensitivity is an inherent value in the cultural ethos of the institute and its neighboring community, as is evident by the following facilities-

a. Safety and security b. Counseling c. Common Rooms

7.1.3 - Describe the facilities in the Institution for the management of the following types of degradable and non-degradable waste (within 200 words) Solid waste management Liquid waste management Biomedical waste management E-waste management Waste recycling system Hazardous chemicals and radioactive waste management

All stakeholders follow good hygienic practices as well as a comprehensive waste management plan. The core concern is to reduce, reuse and recycle wastes generated in the campus. The college has different dustbins for different types of waste, such as degradable and non-degradable. Green and yellow bins have been provided across the campus for the collection of solid waste. For liquid waste management, Liquid wastes generated by the canteen are directed towards collection drains in the rear side of the college building. Women cell has a first aid medical kit. The kit's waste are disposed along with non-degradable wastes. All E-Wastes such as computer, its accessories and all electronic wastes are collected and discarded through the authorized vendor to ensure no hazard to the environment. In the laboratories, hazardous chemicals and dyes are not used. Diluted acids are used in chemistry laboratories and are discharged directly. When it is necessary to use a strong acid or base, it is neutralized before discharge. In the laboratory, no radioactive elements of any kind

or form are used. The college has well maintained and pollution free environment because of meticulously following the green and waste management systems.

7.2 - Best Practices

7.2.1 - Describe two best practices successfully implemented by the Institution as per NAAC format provided in the Manual.

The Practice I:

At the beginning of each session, the staff members are assigned different duties according to their ability, aptitude, interest and experience etc., through forming of administrative committees. In this practice, the guidelines/instructions of the directorate of higher education are adhered to. One of the guidelines is that for carrying out any work the principal has to form a committee comprising of at least three members. The principal forms the various committees after that, he is to supervise/control them for the timely accomplishment of goals in a transparent way.

II Green Campus:

The Practice II:

Incharges of NSS motivate the students to join these extension

activities as volunteers. These volunteers plant saplings, water plants and develop and maintain the lawns putting in a lot of physical hard work. During the organization of camps and regular social service provided by NSS, the volunteers are free to take decisions on their own under the intelligent guidance of the coordinators of these extension activities for the maintenance of lawns and part of campus allotted to them. In this way, these volunteers make the college campus green to maintain Ecosystem. This also helps the college administration face a shortage of supportive staff.

7.3 - Institutional Distinctiveness

7.3.1 - Portray the performance of the Institution in one area distinctive to its priority and thrust within 200 words

The College attempts to align regular teaching with co-curricular activities through various competitions, rallies, lectures and celebrations of national festivals like Independence Day, Republic Day, Gandhi Jayanti and national unity day. The extension lectures on various topics related to the importance of human values, voting rights etc., are organized on the campus in which the resource persons deliver lectures to students underlining various issues related to them. The cells in the institute, such as N.S.S, Women Cell, YRC cell, Placement cell etc., regularly organize competitions on many burning issues related to gender, health, hygiene, dowry, constitutional rights and duties etc., to make students aware of the multiple aspects of the issues. Yoga days, plantation drives etc., are celebrated in the college to create health awareness and the importance of plants in sustaining human life on this planet. The college students enthusiastically participate in all these programmes and thus hone their skills and understanding of various social, and cultural issues of their times. The participation of students in awareness programmes about voting rights, cleanliness, water conservation, adult education etc., creates a positive impression in the minds of the society and a perceptible change occurs in village communities.
